

SHORTBREAD WITH SALT

This is one of my favorite cookies.

2 sticks cold butter

½ c sugar

1 t lemon zest

½ t salt

3 c all-purpose flour

Cream butter and sugar for 30 sec. mix zest, 1 c flour and salt until combined. Add 1 c flour. Refrigerate for 1 hour. Slice and bake 50-60 minutes. Top with a little more salt.

* Use kosher or sea salt only in this recipe. Regular table salt is too overpowering for these cookies.
